Sir:

The references cited on attached forms PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. Copies of references AK-AM are enclosed. In the present Information Disclosure Statement, applicants' cite information from child U. S. Patent Application No. 11/073,531, including the present claims of U. S. Patent Application No. 11/073,531, and office actions of U. S. Patent Application No. 11/073,531. Applicants also cite prior art references of the Examiner in U. S. Patent Application No. 11/073,531. While certain of the references cited herein have been previously considered, they are presented again herein for the convenience of the Examiner.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(h), no inference should be made that the information and references cited are material to patentability. Also, no inference should be made that a reference is prior art merely because it is included in this statement. Under 37 CFR §1.97(g), the submission of an information disclosure statement should not be considered as representation that a search has been made.

In column T<sup>6</sup> of the attached PTO 1449 form, "EN" is entered where the cited reference is in the English language, "AO" is entered where the reference is not in English but a translation of the Abstract only is included, and "FT" is entered where the reference is not in English but a full text English translation is included.

Applicants believe that a fee is required for submission of this statement. A check in the amount of \$180.00 is enclosed.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0289.
